**Date: 20/07 /2017**

**Ref: IOM/ERB/OUT-17/756**

**From: The International Organization for Migration (IOM)-Iraq**

**To: Whom It May Concern**

**Subject: Construction of Qayarah and Haj ali Emergency camp**

This letter confirms Al-Amar Al Hadeth Co. (Modern Constructions) a prominent civil infrastructure and Building Construction Company in Kurdistan Iraq was awarded two major civil infrastructure and emergency shelter (Tents) installation projects with IOM shelter and settlement program for Gayarah Air strip and Haj Ali emergency site camps in Nenewa Governorate. Cumulative project volume for both camps amounts to USD \$6,940,000. List of completed projects mentioned herewith;

1. Flood Mitigation / Storm Water Drainage in Gayarah emergency camp.
2. Ground preparations with Tent installation in Gayarah and Haj Ali Emergency camps.
3. Civil Infrastructure, roads, drainage, fencing in Haj Ali and Qayyarah Emergency Camps.
4. Concrete culvert crossing in Gayarah emergency camp.
5. Camp upgrading works in Haj Ali emergency camp.

Additionally, IOM coordinated with Al Amar Al Hadeth Company skilled infrastructure engineers in planning, design and construction management of successful camp storm water management systems in both emergency camps. Accordingly, IOM completed and handed over largest emergency site camp in Iraq with 10, 000 families (60,000 individuals) in Qayyarah Airstrip, and 7,500 Families (45, 000 individuals) in Haj Ali. Both the emergency camps are now operational were handed over to Ministry of Migration and Development (MoMD) in March 2017.

Last but not least, IOM highly recommend Al Amar Al Hadeth Construction Company for major construction project with any international and national organization seeking professional engineering and management of camp and infrastructure construction projects.

Kindly contact me if you need further information.

"This is a Letter of Reference for the Al-Amar Al-Hadeth (Modern Construction) Company.

Modern Construction has successfully performed work for The KREDCO Real-Estate Company over the past 10 months for building car park (in size \$5000,000) for ( Auchan Hypermarket) project next to Erbil International Airport .

I have personally worked with Mr. Mahir Aqrabi on our project and I have found him and his construction firm to be one of the finest contractors with whom I have worked. MCC is personally involved with most of KREDCOs projects and is an active participant in value engineering the best possible project at the lowest possible price. His firm is service oriented.

I would confidently recommend Modern Construction to potential clients.

To Whom It May Concern

**Reference Letter**

This is to recommend the excellent services of AL-AMAR AL-HADETH Construction company.

Kalegran B.V. has been using their services for the past five years, and have always been completely satisfied. They did an excellent job, always punctual, and offered the best quality and most competitive rates.

Because of the great workmanship, reliability, and professionalism of their staff, AL-AMAR AL-HADETH Construction company was our first choice for the construction and supply services.

It's been a pleasure completing our renovation with such knowledgeable associates as we have done with your firm.

We would highly recommend AL-EMAR AL-HADETH Construction to any entity, in any industry, because of the quality of craftsmanship and the extremely professional staff.
